

2179 Sunset Drive, Inverness

The curb appeal of this beautiful home is only rivaled by the impeccable taste and attention to detail found inside! Built in 2004, the stylish combination of brick, stone and cedar make for a striking first impression.

Stepping through the front door the generous two-story entry welcomes you. Your eye is immediately drawn to the rich cherry floors, which run throughout most of the main level.

The formal living room stands ready for guests at a moments notice. Features such as nine-foot first floor ceilings and deep crown moldings are all here. A

more than generous formal dining room has space to host large dinner parties with ease.

As you move to the back of the home the dramatic two-story family room with its majestic stone...
